

Deanna ॐ Dhyana

IT WAS ALIGNED...IT WAS DESTINED...I FELT IT IN MY SOUL!!!

After having many ups and downs in life, I began to realize THE BIGGER PROBLEM...MY ENERGY!

This is the core issue, that if not dealt with, we continue on a circle of endless self-sabotage drama. I realized...I had to TAKE BACK MY POWER.

I had a deep calling and a heart's desire to release and heal my past and become my greatest version and that came through the creation of Goddess Flow. I began creating a program for holistic healing from the inside out, that started out as a divine

revolutionary journey of healing and empowerment for myself that propelled itself with divine guidance into the Goddess Flow you see today! Once I realized my power and who I was from the inside out, everything connected!

Once I began training mentally, physically, and spiritually, aligning with THE DIVINE, almost out of nowhere...The Goddess Flow Revolution was born through divine download...
